

APATA newsletter

APATA is very happy to have won the 2012 National Athletic Therapy Month Contest – Regional Chapter Award. Our promotional event was very successful and we are looking forward to planning future events to promote the profession of athletic therapy throughout the Atlantic Provinces. I would like to send a sincere thank you to all those AT's who participated in the event or graciously donated to the cause.

APATA would like to welcome a new Certification Candidate to our association. Matt Miller (BKin (Acadia), MSc (Memorial)) is a new student in Sheridan College's AT Program. Best of Luck Matt, in your pursuit towards certification.

Here are a few recent updates from APATA members:

Congratulations to Matthew Boone CAT(C), who won a silver medal with Team Canada's World Junior Baseball team at the 2012 IBAF World Junior Baseball Championship in Seoul, South Korea.

Heather Macleod travelled with Team Canada to the FISU Wrestling World Championships in Kourtane, Finland. The team had a very successful tournament winning a total of 6 medals. Congrats on keeping the athletes healthy Heather!

Many APATA members are in the full swing of their regular seasons as the QMJHL and AHL have started up. The university fall sport season is winding down as football, soccer, and rugby seasons are nearing their AUS championships. The best of luck to all of the team's involved and good luck to those teams that move on to the CIS championships.

Sincerely,

Colin King

President
APATA
